WHOLESALE SEED TRADE PRICES

PRICES SUBJECT TO CHANGE ACCORDING TO MARKET CONDITIONS

JANUARY, 1934

The D. Landreth Seed Company gives no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs or plants it sells and will not be responsible for the crop. All sales subject to loss or damage by fire or other contingencies beyond our control.

MERCHANTS

are asked to **MAIL** their Orders to the **D. LANDRETH SEED COMPANY**, and are assured all orders received by mail will be given our best attention. It is through the orders our customers send us and through the confidence extended to us that the Landreth Seed Business flourishes and has acquired an enviable reputation.

TERMS OF SALE

60 days from date of shipment, or 2 per cent off if paid in 10 days, except net cash goods, such as all Farm Seeds, Field Corn, Rape, Sunflower, and on Bird Seed, Onion Sets, and Lawn Grass. All goods F. O. B. Bristol, Penna., or Port Huron, Mich. Carriers, such as bags, boxes, crates, and barrels, at cost.

Please Notice. Interest will be charged at 6% for accounts overdue. On accounts sent bill of lading attached, freight both ways will be required.

All orders are taken subject to confirmation by D. Landreth Seed Company from their Bristol, Penna., Office and are not subject to cancellation.

OUR SALES of Seeds are **OUTRIGHT**, and purchasers are asked to observe that we will not agree to the **RETURN OF UNSOLD STOCK**, whole or in part. If goods are shipped according to instructions and according to route and on or about date indicated, our responsibility ceases. All errors on our part, to receive attention, must be reported within **TEN DAYS** after receipt of Seeds.

All orders placed with us in advance of the harvest are **ALWAYS SUBJECT TO CROP RETURNS**, as no grower can be legally or morally bound to furnish Seeds which the conditions of nature do not perfect. From new customers cash with order or satisfactory references must be furnished.

No written quotation is good for longer than the time specified, and when no time is mentioned the quotation is good only for acceptance by **RETURN MAIL**.

In cases where Seed Orders are mailed by Merchants in response to our quotations by letter, we ask our customers in their letter to us to give the date of our letter to them making such quotation, else there is no guarantee of the prices quoted being given and the Seeds will be billed at current prices which may be higher.

SEEDS WILL NOT BE TAKEN BACK under any circumstances, and if shipped us will be **REFUSED** as **NO CREDIT** will be allowed, nor will any rebates be allowed for barrels, bags, boxes, crates or other carriers, as they are not returnable. This must be distinctly understood as prices are fixed on this basis.

WIRE YOUR ORDERS—SUPPLEMENTAL ORDERS ESPECIALLY

We will pay the telephone charges on all nearby seed purchases, and night letter telegram charges from anyone, however distant, provided the order amounts to over \$10 for fine seeds or over two hundred pounds of Peas, Beans or Sugar Corn.

We depend upon the judgment of the buyer not to use either telephone or telegram if there remains time to send the order by mail.

Serving the American people from George Washington to Franklin D. Roosevelt.

VEGETABLE SEEDS

in Flat Colored Lithographed Packets

We sell our colored lithographic Flat Packets on the Outright Plan only; at the wholesale price of $2\frac{1}{2}$ cents each or \$25.00 per thousand. These Seed Packets can be sold at retail at 5 or 10 cents each, or \$100.00 per thousand, affording the Merchant a net profit of from 150 to 300 per cent over his expenditure.

The number of varieties of Seeds put up in Flat Packets comprise about 340 sorts—slightly less than twice the number of varieties offered in bulk. On an order of 500 Packets we furnish a fine Seed Display Cabinet free of cost, but which Cabinet is the property of the D. Landreth Seed Company, and is good for three years or more. (See page 2.)

Peas, Beans and Corn we do not sell in flat lithographic packets, but in bulk by the 100 pounds or fraction thereof, or in 1 lb. and $\frac{1}{2}$ lb. **Square Cardboard Packages with colored lithographic labels.** Fine or small seeds are sold in bulk by the 100 lbs. or fraction thereof or in 1 lb., $\frac{1}{2}$ lb., or $\frac{1}{4}$ lb. sealed cardboard packages with colored lithographic labels. We make an extra charge of 2 cents for 1 lb. packages and 1 cent for $\frac{1}{2}$ lb. and $\frac{1}{4}$ lb. packages over bulk rates for Turnip only. Other cartons are free of charge.

All these packages are very convenient to handle, much more convenient than Seeds in bulk, and make a fine showing on the counter or shelves and save time.

SEEDS WHICH SUCCEED

If this were not so, the business would have drifted away instead of being, as now, in the hands of the **fifth** generation of Landreths, who are doing an increased business each year and who supply Landreths' Seed to the **fifth** generation of customers, as among the list of regular customers, some wholesale, some retail, is a long line of customers—continuous buyers for over one hundred years; one family continuous sellers for over 140 years. The people buy Landreths' Seeds because of their reliability.

SUPPLEMENTARY OR FILL-IN ORDERS

Look over your stock of Seeds and find out of what varieties you are short and to what extent on each and send us your order. As you run short of Seeds write to us in advance of your wants, but if you want them in a great hurry telegraph a night letter by which you can send 50 words at same price as a 10-word day message.

We will pay the cost of a night message, providing the order is for Ten Dollars' (\$10) worth of Fine Seeds or two hundred pounds or over of Peas, Beans or Sugar Corn. We will get off all telegraphic orders the day received if possible.

Landreths' Case and 1000 Flat Packets of Vegetable Seeds for \$25

These Packets of Seeds Retailing at 5 to 10 cents each

No charge for case—It is loaned only

This is a photograph of our new Folding Cabinet. It holds 1000 to 1500 Papers. It is 45 inches high, 19 inches wide, 8½ inches deep, having 7 tiers for Papers. These Papers are sold 2½ cents each, \$25 per 1000 Outright sale, selection to be made up by dealer if he cares to.

The advantage of this Cabinet is that it takes up but little space on the counter and can be folded up when dusting or after season is over. We will not supply this Cabinet on any orders of less than 1000 papers, and they must do for several years, as another year we will only ship the Papers to the Merchant who has previously received one of these Cabinets this year. We have an attractive tin cabinet which holds up to 500 papers which we supply when that amount or less is ordered.

YARROW—See Achillea ☐LANDRETHS' ZINNIA ☐

The Landreths, who introduced the Zinnia to commercial use more than 100 years ago, feel that their strain is unsurpassed by that of any seedsman. All our seed is California-grown, under most careful supervision by experts. Our "Bloomsdale Mixtures" are not "grown-as-mixtures" as is often the case, but are made up only of the very best named varieties which have been grown as separate colors. This assures a much wider color-range than is possible by the common method.
